New User Instructions

1. Begin charting immediately.
2. Read the Introductory Booklet before first follow-up.
3. On the day of your appointment, **scan or take a picture of your chart** and e-mail or text it to Lori. If meeting in person, bring your chart.
4. Avoid genital contact for one cycle or one month – whichever is shorter.
5. Complete electronic General Intake Form (sent via e-mail) and e-mail it back or bring to first follow-up.
6. Bring a form of payment to your first follow-up to pay for the appointment and your materials. You can use **Venmo** @loriagnes or **PayPal** at [paypal.me/loriharlan](https://www.paypal.me/loriharlan). Cash and check are also acceptable.
7. Have questions? Contact Lori via e-mail at lharlan@gmail.com or call/text 785.532.8072.
